

SMOKE & MIRRORS

A Murder Mystery Evening
@ Wilton Windmill

Swine of Passion

For several decades, the Peter Irving Gifford School has been going nowhere fast. Now, under inspirational new leadership, this once shameful establishment is to become the Gloucester Old Spot Academy for Girls. All that's needed is the small matter of thirty million pounds. As luck would have it, eccentric local pig-breeder Sir Hamish St. John Hattersley has come up with the last of the cash. As luck wouldn't have it, Sir Hamish's generosity is about to prove spectacularly misplaced.
