Ancestral Vices

A celebrated novelist is dead. His head is missing, his bank account is empty, and his macabre thrillers have a nasty habit of coming true. But who killed him? Was it his fiancée, his lover, his father, his butler, or his foul-mouthed cook? His homeopath, his confessor, his fiercest rival, or his hypnotherapist – who only speaks in rhyming verse? In this classic Agatha Christie-esque black comedy, you get to play the most unusual suspects ever assembled, whilst two brave detectives attempt to uncover the truth, however shocking it may be ...
